

FIRST ROUND CAPITAL

First Round Capital is looking for a Senior Associate possessing **boundless energy** and **astounding intelligence** based in either our San Francisco or Philadelphia office.

About First Round Capital:

First Round Capital is a venture capital firm dedicated to helping talented entrepreneurs build remarkable companies. We are not afraid of investing in pre-revenue companies - and often provide a company's first outside capital. As former entrepreneurs, we understand the challenges of launching a new enterprise. We look to take an active role in most of the companies we invest in. We believe our insight and expertise are far more valuable than our capital -- and we look for entrepreneurs who feel the same. First Round Capital invests nationally and has offices in Philadelphia, New York City and San Francisco.

At First Round Capital, we value:

- Integrity
- Intellect
- Teamwork
- Entrepreneurship
- A strong work ethic
- Independent and original thought

Position Responsibilities:

The Senior Associate will be an integral member of the team and will be involved in all aspects of the investment process with a focus on:

- Deal sourcing
- Technical and business due diligence
- Market intelligence development
- Creating and supporting "point of view" on companies
- Investment theses development
- Monitoring of portfolio companies
- LP and portfolio communications

Skills:

Candidate should have strong writing, analytical (qualitative and quantitative), technical, and personal skills required for success in a small but fast moving team environment, including:

- 2-4 years of relevant experience in financial analysis or management consulting, should be able to perform due diligence, develop financial models, and create investment memoranda

- Ability to analyze a wide variety of businesses in the technology industry
- Ability to self-direct, analyze, evaluate, and form independent investment judgments
- Strong entrepreneur network or an ability to build one
- Previous deal experience
- Record of academic achievement at a top-caliber undergraduate program; recent MBA graduate a plus
- Excellent organizational skills and a strong attention to detail.

Location: San Francisco or Philadelphia
